This is an application the club uses to register players for trainings, matches, and events throughout the season. Players and parents can have their own accounts, which can be linked.

Please ensure all your personal details are up to date on SportMember so coaches and team managers can contact you if required.

Registration for matches and trainings

Registration for all matches and trainings is done in the SportMember app.

Players must register their availability for trainings and matches to ensure that coaches can plan and organise accordingly.

Registration for the HKT tournaments will close at Sunday 11:59pm for the following Saturday.

Saturday Tournaments (HKT)

HKT tournaments are a fun, optional way to improve hockey skills. We strongly encourage all players to participate in HKT tournaments, especially those who are new to the sport.

Matches for U12, U10, U8 and U6 are on Saturdays in Geneva, Coppet or Lausanne, and all tournament dates can be found on SportMember.

Uniforms and material required

Each player requires their own stick, shin guards, and a mouth guard. Please note that SHIN AND MOUTH GUARDS ARE COMPULSORY FOR ALL TRAININGS AND MATCHES.

Club uniforms (jersey, shorts/skirt, and socks) can be purchased through the webshop on the SportMember app. Delivery will be during trainings.

For questions about materials, please email: materiel@servettehc.ch

Team managers and communications with parents

Each age category will have a Team Manager (TM) to assist the club with organisation and communication with parents. TMs are parent volunteers and use WhatsApp, SM, and/or email to share announcements and information.
